A Hamlet Update

Happy Birthday, Capricorn

Newly inspired by the jubilation and excitement of the holiday season, it is the perfect time to plan for and look forward to a fantastic 2023!

What will you take advantage of in the coming year?

The Hamlet Social Committee has been collaborating in order to create a "Calendar of Events" that best suits our community!

To better serve our neighbors, the Hamlet will continue to create fresh, new, cost efficient and "green" ways of communicating information to our neighbors here at Willow Creek.

All future announcements will continue to be conveyed using electronic mail (EMAIL), along with a NEW AUTOMATED CALL / TEXTING system. We believe both options will better inform homeowners of the many social happenings, as well as all important information within the community.

We hope you choose to stay connected and subscribe to both EMAIL & AUTOMATED CALLING/TEXTING.
The choice is yours.

Ultimately, we hope to continue to build an engaged, social community. Participation is vital to this goal. So, take advantage and opt in! We look forward to seeing everyone at our get-togethers this year.

Cheers, to a Happy, Healthy & Prosperous New Year!

Take a moment to go outside, put your face in the sunshine & say "Hello" to your neighbors!

Keep an eye out for our social media debut!
