## A Hamlet Update

*HAPPY BIRTHDAY SUMMER BABIES!*

It is amazing what we accomplish

*as a community!*

Summer is in full swing and so is the women's golf season! The Willow Creek Golf Club has special pricing on Wednesday afternoons exclusively for the Hamlet ladies! There's no commitment, so join us whenever!

There is always something for everyone in the Hamlet Community! The Black Duck monthly special, Hamlet Happy Hours will continue throughout the summer season along with Mr. Softee every Wednesday and Vincent's pizza truck every other Wednesday!

**The next TGIF is July 14th** poolside with live music by Solo Joe. Celebrate summer with your friends & neighbors on the newly refreshed pool deck! This special TGIF start time is 5:30.

Have you considered volunteering your time on the HOA Board? The Hamlet annual elections will be here in September! Run for a seat, and come out to vote!

The social committee is always working tirelessly, planning special events throughout the year. Saturday's Independence Day BBQ is sure to kickstart the fun into the holiday weekend of celebrations!

*See You at the pool!*
